## WORK EXPERIENCE

### [Intuit \(QuickBooks\)](#)

Senior Software Engineer

Aug 2023 - Present

- Built a feature-rich proposal editor (React, TypeScript) with seamless HTML-to-PDF conversion (Java, Spring Boot), driving a 70% increase in job win rate for over 50K beta users
- Led Contracts & E-Signature initiative across 7+ engineers — coordinating cross-functional dependencies and mentoring junior engineers to ship on schedule

### [Bonfire](#)

Founding Engineer

Mar 2022 - Aug 2023

- Designed wallet account abstraction combining passwordless signup with self-custodial authentication (Ethers.js, Magic), onboarding 1,000+ digital creators and fans
- Led and built async job infrastructure (Express, tRPC, BullMQ, Redis) enabling long-running task processing and scheduled notifications platform-wide

### [Mailchimp](#)

Software Engineer III

Apr 2021 - Feb 2022

- Led a squad of 3 engineers to build a partner referral system (Golang, Dataflow) that generated over \$250,000 in payouts in its first six months

Software Engineer II

Jun 2019 - Apr 2021

- Implemented the data pipeline for a learning management system (Golang, gRPC) to asynchronously ingest and update partner certifications (Pub/Sub, Spanner)

## PROJECTS

### [Second Generation](#)

Founder

Sep 2020 - Present

- Operate a crypto staking platform managing \$150K+ in assets, providing Ethereum staking infrastructure with 99.78% uptime over the last 5 years
- Implemented portfolio web application (Next.js, React, TypeScript) with automated staking, market dashboards, and real-time reward event ingestion (BullMQ, Redis)

### [APM Map](#) (Acquired)

Co-Founder, CTO

Jun 2020 - May 2023

- Designed and implemented an interactive directory of 100+ product management learning resources serving thousands of aspiring PMs; acquired by Exponent in 2023

## EDUCATION

Columbia University, B.A Computer Science & Psychology

2019

Awards: Palantir Future Scholarship (2018), Code2040 Fellowship (2018), QuestBridge National College Match (2015)

## LANGUAGES

English (Native), Spanish (Native)
